

IESA VISION SUMMIT 2025

AGENDA

Date	TIME	Session Name	Broad Area	Session Theme	Company / Speaker	Remarks	
4th March 2025	6.30PM - 9.00PM	Banquet	Banquet CXO Networking Dinner	Banquet Speech, Fireside Chat, Discussion, Dinner - On Invitation basis		Tentative Speakers CEO Polymatech and NI, Infineon, Micron, CG Semi and Tata Electronics	
Day 1 - H1 (Main Hall) - INAUGURAL SESSION - ALL TOGETHER							
5th Mar 2025	8:45AM - 10:30AM	Inaugural	Welcome address and Visionary Keynotes	Powering India's Semiconductor Revolution: Charting the Future at Vision Summit and ISPEC2	IESA/Ashok Chandak	Welcome Remark	
					Resonac	Visionary Keynote by Global Leader Resonac	
						Polymatech	Visionary Keynote by Polymatech
						Applied Materials	Visionary Keynote by Applied Materials
			Visionary Keynotes 6			Siemens EDA	Visionary Keynote By Siemens EDA
						Tessolve	Visionary Keynote by Srini Chinamilli, Co-Founder and CEO Tessolve
					NXP	Visionary Keynote by NXP	
		Inaugural	Coffee Break Networking				
	11:00AM - 12:45PM	Inaugural	Grand Inaugural session by VVIPs/ Dignitaries, Semiconductor Manufacturing Supply Chain Report launch	Vikasit Bharat: The Crucial Role of Semiconductors in India's Growth, Development and 5 Trillion economy	Dignitaries and industry leaders	Leaders/ officials, to be finalised by GoG, SEMI (Ajit Manocha), IESA (Ashok Chandak) CS Chua, MD Infineon Asia, Randhir Thakur, Tata Electronics, Global leaders from Micron, CG- Semi, Kaynes Semi, President Jetro, Leader SSIA, Other Dignitaries	
			India Made products Launches	Make in India: Turning Vision into Reality with Semiconductor Manufacturing.		Product Launch by Indian Units like Micron, Tata, CG, RRP, SUCHI, RIR, Polymatech	
	1:00PM		Exhibition Inauguration	Sand to Silicon to Systems: Experience the End-to-End Ecosystem Journey		Dignitaries for inauguration to be finalized by Ashok Chandak and GoG. Ashok and Dr Verappan to accompany them	
	1:00PM - 2:00PM	Inaugural	Lunch Break				
Day 1 - H2 - (Hall 2 Conference Area) - VISION SUMMIT							
	2:00PM - 2:30PM	Policy, Government Infrastructure	Keynote 1	Government Role-State and Center Policies and Infra Readiness		ThermoFisher	
			Keynote 2				Western Digital
	2:30PM - 3:30PM		Panel Discussion Keynote 3				Center and State Policies, Incentives and Strategic Support. Meity and Multiple states officials
					Moderator	Dr. Hemang Shah, Sr Director Government Affairs Applied Materials	
					1	GoG Nominee	
					2	UHP/ GOI Nominee	
					3	GOI Nominee	

IESA VISION SUMMIT 2025

AGENDA

					4	Global Leader from CG Semi	
					5	Global leader from Tata Electronics	
	3:30PM - 4:00PM	Independent Topic			6	GOG Nominee	
		Independent Topic	Keynote 3			Keynote by Micron	
		Independent Topic	Keynote 4			Keynote By Tata Electronics	
	4:00PM - 4:30PM	Coffee Break Networking					
	4:30PM - 5:00PM	Workforce/Talent	Keynote 5	Talent, Skill, Capacity Building Panel Discussion		Lam Research	
			Keynote 6			Keynote by Mr. P R Sivakumar, Founder & CEO Maven Silicon	
			Panel Discussion	Talent, Skill, Capacity Building Panel Discussion: How to ensure adequate Workforce created for local units and others	1	Global Leader from Lam Research	
					2	TBA	
					3	Global Leader from Tata Electronics	
					4	Global Leader from Infineon	
					5	Ashok Kumar Mehta, Co-Founder and Director Suchi Semicon	
Date	TIME	Session Name	Broad Area	Session Theme	Company / Speaker	Remarks	
	2:00PM - 4:00PM	International Cooperation	Roundtable - On invitation basis	Building Value chain by promoting International cooperation : India-Taiwan Forum		Indo Taiwan Roundtable, Anchor Industries, TW companies, Govt officials, SEMI, IESA	
Day 1 - Evening (The Leela Hotel)							
	7:30PM - 9:00PM	Banquet	Banquet Dinner - On invitation basis			Speech by Infineon and Sponsors	
DAY 2 - H1 (Hall 2 Conference Area) - VISION SUMMIT							
	08:55AM-09:45AM	Building a product (Inc, Fabless) ecosystem	Day 1 Summary	Design ecosystem and Product Creations: India's Path to Leadership: Catalyzing Value Addition through Product Creations in ESDM		Day 1 Summary by IESA EC Member-5 Minutes	
			Keynote 1			GoG Nominee Speaker	
			Keynote 2			Nominee Global Expert on Sustainability and Smart manufacturing/ Invited Global speaker	
	09:45AM - 10:30AM		Keynote 3			Keynote by Mohit Gupta, SVP & GM IP and Custom Silicon, Alphawave Sem	
					Moderator		Raghu Panicker, CEO Kaynes Semi
					Panel Discussion	1	Sundeep Gupta- MD India & VP Central R&D- Alphawave Semi
						2	Senior Leader from Siemens EDA
						3	Global leader from Infineon
		4	Rajesh Vaddempudi Sr VP, Test Engineering Tessolve				
			5	Global Leader fro Polymatech			
			6	Raghu Panicker, CEO Kaynes Semi			
			7	Sr Leader from Synopsys			

IESA VISION SUMMIT 2025

AGENDA

10:45 - 11:15AM		CoffeeBreak Networking				
	11:15AM - 11:30AM	Building a product (Inc, Fabless) ecosystem	Keynote 4	Downstream applications: Medtech, Deeptech, Spacotech and EV. India's Path to Leadership: Catalyzing Value Addition through Product Creations in ESDM	Moderator	Keynote By Infineon Global Leader
	11:30AM - 11:45AM		Keynote 5			Keynote by Mr. Marvin Landrum Director, Software Strategy - Semiconductor and Electronics - Emerson Test and Measurement
	11:45AM - 12:00PM		Keynote 6			Keynote address by Bharath Desareddy Founder and CEO SmartSoC
	12:15PM - 1:00PM					Smt Sunita Verma, Meity
			Panel Dscussion : Fabless	Catalyzing Starups in India especially Fabless Startups	1	Nitin Kishore, Founder & CEO Truechlp
					2	Gautam Singh, Founder and CEO, Fermionic Systems
					3	Founder and CEO SmartSoC
					4	Mr Sambit Sahu, Sr VP, Kritrum-OLA
			Panel Discussion Electronics Design and Manufacturing	How to climb the ladder of value Addition in ESDM		Anku Jain, MD Mediatek India
Parallel Session	10:00AM - 1:00PM	International Cooperation	Round table - on invitation basis	Building Valuechain by promoting International cooperation : India-Japan , India - Korea, India - Singapore		India Singapore, India Japan , India Korea round tables . Separate back to back.
DAY 2 - H2 (Hall 2 Conference Area) - VISION SUMMIT						
	2:00PM - 3:00PM	Production(mfg) /Materials/Equipments	Keynote 1	Insight on high-precision fab construction & cleanrooms,localisation of equipments	Hall 2 Conference Area	Keynote Address by Mr. Katsuya Tobinaga, President - Toho International Inc
			Keynote 2			Keynote By Global Leader Teradyne
	2:00PM - 3:00PM		Keynote 3			Keynote by Global Leader from Advantest
			Keynote 4			Keynote by Global Leader AGEML
	3:00PM-4:15PM	Production(mfg) /Materials/Equipments	Panel Discussion Smart Manufacturing	Challenges and collaboration needs for strong local manufacturing eco-system (Materials, Facilities OSAT/Fab, & Equipments)	Moderator	Applied Materials
					1	AGEML
					2	Advantest
					3	Teradyne
					4	Inox
					5	Tata
					6	Toho International
					7	UHP
					8	GOG Nominee
		9	TSMT			
	2:00PM - 3:00PM		Keynote 3			Keynote by Global Leader from Advantest
			Keynote 4			Keynote by Global Leader AGEML

IESA VISION SUMMIT 2025

AGENDA

Date	TIME	Session Name	Broad Area	Session Theme	Company / Speaker	Remarks
	3:00PM-4:15PM	Production(mfg) /Materials/Equipments	Panel Discussion Smart Manufacturing	Challenges and collaboration needs for strong local manufacturing eco-system (Materials, Facilities OSAT/Fab, & Equipments)	Moderator	Applied Materials
					1	AGEML
					2	Advantest
					3	Teredyne
					4	Inox
					5	Tata
					6	Toho International
					7	UHP
					8	GOG Nominee
					9	TSMT
	2:00PM - 4:00PM	International Round table	India and US/EU	Building Valuechain by promoting International cooperation : India- US and EU		Round Table participants from US/ EU TBC
	4:15PM-4:30PM	CoffeeBreak Networking				
	4:30PM-5:30PM	Production(mfg) /Materials/Equipments	Keynote 5	Keynote Advanced mfg Materials, Tools and Components		Keynote by Mr. Ashok Kumar Mehta, Co- Founder and Director, SUCHI Semicon
			Keynote 6			Keynote by Raj Chodankar - Chairman - RRP ELECTRONICS LTD
			Keynote 7		Keynote Advanced mfg Materials, Tools and Components	Keynote by Mr. Manjunath Jyothinagar, Managing Director, UHP Technologies Pvt Ltd
			Keynote 8			Keynote by KLA Singapore Global Leader
	5:30PM-6:15PM	Production(mfg) /Materials/Equipments	International Round table summary	Summary from International Roundtables : Building Valuechain by promoting International cooperation		Taiwan, Japan, Korea, US, SGP representatives
	6:15PM-7:15PM	Awards and Recognition	Technovation awards and Closing	Technovation awards : Appreciating and awarding excellence in ESDM		Speech by TI & Tata Electronics
	7:45 PM to 9:45PM		Banquet Dinner - On invitation basis	Speech and Networking Dinner		Speech by GOG, GOI and Sponsors
7th Mar 2025	9:00AM - 4:00 PM	Industrial SITE visit	Visit to industrial Site 9 AM 4 PM. - On pre approval basis. Two separate routes.	Gujarat at the Heart of the Semiconductor Manufacturing Revolution: Exploring Dholera and Sanand Sites	Dholera/Sanand	
	9:30AM - 11:00AM		ESDM Overview and Mentoring	India ESDM sector trends and opportunities		
	11:00AM - 1:00PM	Student Special session	Exhibition Visit	Sand to Silicon to Systems : Experience the End-to-End Ecosystem Journey		
	9:30AM - 4:00PM	Suppliers session	ISPEC2 conference continues			Hall 2 Conference Area

IESA VISION SUMMIT 2025

AGENDA

Date	TIME	Session Name	Broad Area	Session Theme	Company / Speaker	Remarks
EXHIBITION						
5th Mar 2025	12:45PM	Exhibition	Inauguration of Exhibition by 12.45 PM	Sand to Silicon to Systems : Experience the End-to-End Ecosystem Journey	Exhibition Hall 1 and 2	
	13:00PM - 18:00PM		Exhibition Open for delegates		Exhibition Hall 1 and 2	
6th Mar 2025	9:15AM - 13:00PM		Exhibition Open for delegates		Exhibition Hall 1 and 2	
	13:00PM - 18:00PM		Exhibition Open for delegates		Exhibition Hall 1 and 2	
7th Mar 2025	9:15AM - 13:00PM		Exhibition Open for delegates		Exhibition Hall 1 and 2	
	13:00PM - 18:00PM		Exhibition Open for Students and Public		Exhibition Hall 1 and 2	
Parallel Sessions						
5th Mar 2025			India Taiwan Roundtable	45-50 CXO Roundtable		Afternoon Parallel Session - 5th March
			Roundtable with Infineon	30-35 Stakeholders roundtable		Parallel Session D2 - 1H
			Meetings in Meeting Rooms 1-9	Key Sponsor/Stakeholder/Govt Meetings		Throughout the day
6th Mar 2025			India Japan Roundtable	30-40 Stakeholders Roundtable		Morning Parallel Session. D1 1H
			Meetings in Meeting Rooms 1-9	Key Sponsor/Stakeholder/Govt Meetings		Throughout the day
			Round table with Embassies	Embassies		Afternoon Session boardroom
5th/6th/7th Jan 25			India Singapore - round table	20-25 Stakeholders		Meeting Room Morning D2 1H
			Anchor Investors - meeting rooms			To be planned
			GoG - meeting room			To be planned
			Gol - meeting room			To be Planned
			Korea - Round table - Tobe decided			D2 1H.
			US Country Round table - Tobe decided			To be planned
			TATA , Micron - leaders	in all Round tables, and 2panel sessions, 1 in ISPEC
